

**PREP WEEK 1****Monday**

To be fully prepared to do this program, you need to order one of each material found in the materials section of this manual.

**Tuesday**

Create your 100 names list and rank it.

**Wednesday**

Determine four consistent days and times that you will teach weekly classes for the next 6 weeks.

**Thursday**

Meet with your upline to go over your plan to solidify their support.

**Friday**

As per this training , create a printed invitation that you'll be using to advertise your class or use the one you ordered from the materials section.

**Saturday**

If you have your samples, start sampling the people on your 100 names list.

## PREP WEEK 2

**Monday**

Create all your samples. Start sampling people on your 100 names list.

**Tuesday**

Hand out samples. Follow up and invite.

**Wednesday**

Hand out samples. Follow up and invite.

**Thursday**

Hand out samples. Follow up and invite.

**Friday**

Hand out samples. Follow up and invite. Get all materials ready and practice over the weekend to teach your first class.

**Saturday**

Hand out samples. Follow up and invite. Practice over the weekend to teach your first class.
